

NSW Smart and Skilled Course Fees

Under NSW Smart and Skilled, a student contributes toward the cost of training by paying student fees. NSW State Training Services has contracted Axiom Compliance Learning to deliver training in the below areas.

These fees are calculated when you enrol and may be subject to change throughout the course if you are eligible for Recognition of Prior Learning or Credit Transfer.

The Department of Education and Training sets these fees, which are subject to variation occasionally.

Qualification	Fee Categories			
	Full Fee		Apprenticeship	Concession ¹
CPC32820 Certificate III in Fire Protection	1 st Qualification	2nd or further qualification		
	\$2990	\$3580	\$0	\$240
Targeted Priorities Prevocational and Part Qualifications	Will be advised prior to enrolment			

¹ Concession or fee exemption is available to indigenous and eligible participants.

Speak to Axiom Compliance Learning for more information, or visit the [NSW Smart and Skilled website](#).

You can estimate the enrolment fee using the estimator tool on the [Smart and Skilled Website](#) – Estimate the Enrolment Fee.

Some employers may choose to pay the enrolment fee for their staff. This is a separate negotiation between employees and their employers.

If the employer wants to organise this payment, they can discuss it with their Axiom Compliance Learning representative.

For payment options, please refer to the *Fees and Refunds Policy* or contact your Axiom Compliance Learning representative.
